

The IPDLN 2022 Edinburgh Conference at a Glance

Pre-Conference Workshops

We are pleased to present an exciting programme of pre-conference workshops. Please note that capacity is limited for the in-person sessions, email hub@adruk.org to reserve your place. All times are in BST.

The 2022 Conference will run from Wednesday 7 September to Friday 9 September, and will take place in Edinburgh, Scotland, United Kingdom. The main conference venues are part of the University of Edinburgh, founded in 1583, and are located around George Square close to the Old Town and its historic attractions.

Crowd

For the first time, the IPDLN is using the new [CROWD](#) digital platform to share updates and information about the 2022 Edinburgh conference. [Crowd](#) exists to support the Population Data Science community, encourage engagement with the work of your peers, and help you to connect with one another.

To ensure you receive all conference updates and remain part of the online community, conference attendees should sign up to [CROWD \(which you can do here\)](#). It's quick and easy to do – and don't forget to download the mobile app to have all the conference information at your fingertips whilst you're on the go in Edinburgh.

Once you've created an account make sure you join the [IPDLN Group](#) by selecting the "groups" tab on the left-hand side menu and navigating down to the IPDLN Group.

Signing up is not just the only way to receive future conference updates but also to access online materials. Start a conversation with your fellow attendees ahead of meeting them in September!

Join today and be sure to say hello. We look forward to getting to know all of you ahead of Edinburgh.
