Ellery Addington-White
Digital Media
Ellery is the Student Director at the Center For Entrepreneurshia and Liberal Education at Beloit College in Wisconsin.
Alex Connelly – Photography
Alex is an artist from Madison, WI. His focus is in digital and analog/experimental photography as well as painting and mixed media.
Y93.D1
Activity, knitting and crocheting

Alex Connelly – Photography
Alex is an artist from Madison, WI. His focus is in digital and analog/experimental photography as well as painting and mixed media.
James Lloyd – Digital
James is the co-founder of 100health and is a wizard with EMR integration. He worked at Epic for six years in various roles including technical services, EDI, and software development. Needless to say, he’s a productivity mastermind. In fact, he outsourced his art for this project.
Z63.1 Problems in relationship with in-laws
Sarah Bottjen – Acrylic and Nailpolish on Canvas 10” x 13”
Sarah is currently an Epic project manager on the emergency department team. In her free time, she like to paint with acrylics on found objects. Her largest works are showcased on Epic’s campus, where 8 walls exhibit her cave art. She’s a French, Chinese and Arabic language fanatic, with a potential interest in emergency medicine in the future.
V97.33xD
Sucked into jet engine, subsequent encounter
